

Moto Concorso 2008

July 12th 2008, Monterey, California

An exhibition of performance motorcycles designed for road or competition use. In this celebration of motorcycles we are offering displays of those marques that were manufactured from the beginning era of motorcycling through the current era, spanning those decades that defined the advances of motorcycle engineering and transition from utilitarian to art and beauty of the motorcycle.

The Moto Concorso is an event presented in advance of the Motogiro America to celebrate the heritage and design of these performance motorcycles over the distinct eras that defined the styles and engineering of the motorcycles, as we know them today.

This concourse of historical motorcycles is presented by the Ducati Vintage Club, an official Ducati Desmo Owners Club organization.

It is hoped that this intriguing educational and social event will invoke the visitor's curiosity and admiration for the efforts and passion of the designers, developers and owners of these magnificent examples of engineering development and artistic manifestation.

The Moto Concorso will highlight the motorcycles that defined the Motogiro event in Italy and also the art, innovation and raw functionality of Italian racing motorcycles.

The Chief Scrutineer leading the judges will be Alessandro Altinier of Treviso Italy, a world renowned restorer of racing, rare and exotic motorcycles. Alessandro's 20 plus years of professional restoration experience of the most rare of racing motorcycles gives him the expertise and qualifications to be the most discriminating judge of Italian motorcycles. The Ducati Vintage Club is honored to have Alessandro as part of the Moto Concorso team.

Groups, Vintage and Classes

The following are the Groups, Vintage and Classes eligible for entry to the Moto Concorso 2008, Monterey, California, and USA.

The general emphasis is on performance motorcycles that contributed to the sporting image of motorcycling both in street or racing guise and with a special emphasis on Italian racing motorcycles, Motogiro eligible motorcycles and scooters.

There are several general entry motorcycle groups, those for regular use and those for competition. Within those groups are the vintages, based on the year of manufacture and, within those vintages are specific classes based on engine type and displacement.

For special groups, vintage or class, or should your bike not fit one of the posted categories contact the DVC via E mail, we are open to all motorcycles, scooters and mopeds.

- Choose your group, vintage and then class
- Fill out the PDF entry form
- Select one the many available payment options; PayPal for credit cards or electronic checks (paypal account name is: pay@ducativintageclub.com) ; USPS mail a check, cashiers check or money order
- Send you completed form via e-mail, fax or USPS mail
- NOTE: all payments must be in US funds
